Serial No. 10/083,898

74 (New). A method according to Claim 72, wherein the step of operating the adjuster includes the step of operating a modulating control valve in a modulating control line that operatively interconnects an outlet from the reservoir and a lute connected in line with the outlet from the reservoir.

75 (New). Solvent obtained by the method of Claim 55.

REMARKS

Early examination and allowance are solicited.

Respectfully submitted,

Date: 2/17/03
